# Foglia Tonda del Rinascimento

Ruby red with purple reflections. It has an enveloping nose, reminiscent of ripe red berries, accompanied by sweet, spicy notes, a strong herbaceous scent and a hint of mineral. Surprising on the palate, with a lively, decisive attack which is always elegant because of the balanced acidity, showing outstanding structure for aging.

The estate began with the cultivation of vineyards by monks in 1100, before the phylloxera epidemic that hit Europe in the mid-nineteenth century wiped out the indigenous varieties present in Tuscany. Piandaccoli emerges in 1950 with the production of Chianti, but it was the vision of Dr. Giampaolo Bruni that set the stage for this incredible winery's future. He collaborated with the University of Florence, using DNA testing on grapes found in the Medici tombs, to reintroduce autochthonous varieties prevalent during the Italian Renaissance.
